“ Ashley was my neighbor. I did not know her but we exchanged greetings on the parking lot. She always had a big smile went to spoke. I received notice from management but did not realize who she was. My heartfelt sympathy to her family and friends.

“ Please accept my family's heartfelt condolences on the loss of your dear loved one. May you find comfort in fond memories, and The Almighty God's promise in The Bible, to restore those asleep in death to perfect life on a paradise Earth.
