“ Although I cannot be there with you at this time, I would like to extend my condolences to the family and let you all know that I share your grief in missing Audele. My grandfather George Buren and Earl Beeks were first cousins. Audele would always tell me something new about myself, and our history each time I saw her or spoke to her. She told me about their visit to Seattle for the World's Fair and I am honored to live in the place she stayed while visiting, although I was in Mound City at the time she came to Seattle. She always made time (and sometimes food) for me when I visited St. Louis. I am so grateful to have met her and that she remembered me. I will miss her when I visit St. Louis. I pray that God will comfort and strengthen the family. I love you family.

“ To the Family of Audele Beeks
I am so very sadden to hear about the passing of Audele...she was my second grade teacher at Washington grade school and not only was she a very fine and brilliant teacher she was also a very good family friend along with her husband Earl...I attended Earl's funeral service and the next day my mom (Charlotte Wells) passed away. I am so happy to say that I was a student of hers because I learned a lot being in her class room and she also showed so much love for her students. I am going to really miss her so dearly. My sympathy and condolences goes out to the whole family. LOVE YOU AUDELE AND MAY YOU R.I.P.

*Sincerely
Harlan Wells*
