“ I am both shocked and disheartened to just now stumble upon this dispiriting news. I used to work with Audrey. She was so energetic and cheerful. I remember the time she invited me to her wedding party at Tower Grove Park where I met her husband and her extended family. Everyone was so nice. What I remember most about Audrey is her optimism, sense of humor and enthusiasm. She always had a smile on her face and would make everyone else laugh. She made the work day better. I'll miss you.
