“ I worked with Bethel, at the Refinery, for many years. When my daughter was a young teen, I would tell Bethel about my struggles while raising her. He always had the best advice for me. He had a radio show at one point. He told me to be sure to have my daughter, Stacy, listen to his show one evening. Stacy and I both listened as instructed. He said her name and then proceeded to pray for her. I'd never seen her eyes get so big and round. She could not believe her name was being broadcast on the radio and that this man was praying for her. He said her first and last name. It impacted her deeply. She met him many times after that and he always had a big hug and advice for her. She is 34 years old now and has an 11 year old son which she is raising so beautifully. I mentioned Bethel's passing to her and asked her if she remembered him. Her eyes filled with tears and she said that yes, of course, she remembered him. So in closing, thank you Bethel. It was such a pleasure having known you. You touched our lives in a very positive way. Stacy and I both love you and wish you a peaceful rest with the Lord. Annette Harrje

“ I am so sorry to hear of my old friends passing. I had not heard until today and will pray for the family and for Bethel. Many fond memories of work at Mobil with Bethel for many years and work projects for the Glassboro church. A true brother in Christ and always willing to extend the hand of friendship and in helping others.

Grace and Peace to all.
