“ I am sad to find this obituary today when googling my old friend. I woke up in the middle of the night thinking of her. Burnetta joined our 7th grade class at St. Rita in 1981, and one of the things I will always remember about her is her beautiful hair.

She and I became close friends at Rosati-Kain high school but lost touch after that. I saw her once after high school when she returned \$30 she had borrowed about 2 years before! I wasn't expecting it. My mom and I were folding clothes on our front porch in Vinita Park when she drove up for just a minute.

She was smart, with a great sense of humor and an admirable rebelliousness. We both detested Ms. Mason. I really loved her and send my condolences to her family. I wish that she and I had been able to reconnect.
