“ The first time we met you became my friend and brother. when ever we were together I felt the love in your heart. We always kicked it too the fullest from sunset to sunset. Even thou you were younger than I was you always had knowledge greater than your age and taught me many things I will never forget. I was always the white boy but you never looked at me that way and always took me where ever you went You had the family that I always wanted and I was always envious.It was always the four musketeers ,Mitch left first, 2nd to go was Greg, and now god has taken you away from us.Even though we wasn't as close as we should have been the last few year's loved YOU, GREG AND MITCH as if it was the first time we got together to enjoy life..I know your all together celebrating like we used to .I love you and them very much . I miss you all very much , but knowing we will all be together someday helps to get through everyday. GOD BLESS YOU, YOUR BOTHER FOR LIFE, GARY ( G -MONEY ) WARREN. REST IN PEACE.
