“ Mrs. Gooch's grand daughter (Tess Gooch) was an elementary school friend of my daughter (Mona Smith). Tess was a very charming person & she and Mona's friendship lasted thru elementary school with periodic contact at separate high schools. Years later...Mona discovered that she and Tess had a recent similarity--both had lost their beloved grandmothers days apart (Mrs. Desiree Gooch and Mrs. Amy Cobb Gaines) and each family could reflect on each others situation. In addition to God's love--that discovery served as a ray of sunshine as they dealt with the issues of life. Our family extends prayers & concern at your loss. The theme of Mrs. Gaines Home Going Celebration was "Love and Memories Never Die, nor can they be buried except in the hearts of those we love & those who love us". Amen & Ase' (and so it is)
