“ We will truly miss my dear cousin. She believed in family and worked very hard to make family members know one another. We really enjoyed the many reunions in St. Louis and thank her and her children for them every 2 years. They will remain in my memory for ever. We believe she served the purpose that God had for her. We loved her and although there is sadness that she's gone, there is joy that we had her in our lives. Be strong family and remember the good times.
