“ To the Whitman family, wishing you the love, strength and comfort of our Lord and Savior, during this difficult time. Although, I didn't know Eddie, my cousin, that well, however I am familiar with the death of a love one. Be comforted in knowing that Jesus has prepared a place for Eddie. May God sustain you and give you peace and understanding that only he can, during this great loss. You all are forever in my prayers. Love, cousin Velma in GA.

Eddie was a good friend of over fifty years. We met through his cousin Constance in the seventies. He was a great friend and would do anything for you. He loved walking at Forest Park, reading and of course his music. My family all knew him as well. He loved his family and spoke of them often. This year was the first time in fifty years that I did not receive a birthday card in the mail from him. I will miss his banter and humor, his inquisitive mind and his love of learning. My deepest condolences to the family.
