“ *The Floyd family was our extended family, Essie and all her siblings with her parents lived across from my family. We spent time with them on weekends or after school. Played outside together and played cards together with the whole family. I was blessed to talk with her and see her after years of being apart. I went to see her on Sunday and it was so sad to see her in that way, but I knew God had her and would bring her home if it was her time. Prayers to the family, from the Oliver family.*
