

## Flynt D. Clemons Jr

February 11, 1986 - August 10, 2014

Flynt D. Clemons, Jr. was born February 11, 1986 to Tracie R. Williams and Flynt D. Clemons, Sr. in St. Louis, Missouri. He was the 2nd oldest of his siblings.

Flynt was educated in the St. Louis Public School System and graduated from Beaumont High School in 2004. He was a star athlete at Beaumont and excelled in both football and basketball. He was chosen as an outstanding student athlete by the Demetrious Johnson Charitable Foundation, Inc. He went on to play collegiate level football on an athletic scholarship. He later went on to expand his academic career at Missouri Western State University.

Flynt was a devoted family member and a leader in his family and community. Often you could find “Fee” at the community center coaching and mentoring young boys, even as a teenager.

He acknowledged his faith in Jesus Christ at an early age and was intensifying his spiritual journey at the time of his death.

At the time of his death Flynt was employed by Clean, Inc. Although he had been employed for a short time, his co-workers complemented his pleasant personality and loyalty to his job. His personality yielded countless friendships and brotherly bonds that he held throughout his life. These bonds are evident in his relationships to his many friends. Flynt departed this life, tragically on August 10, 2014 in St. Louis, MO.

He leaves to cherish his memory: his mother, Tracie R. Williams; his father, Flynt (Carol) Clemons, Sr.; one brother Travian Clemons; six sisters ~ Latashia Clemons, DaJuana Clemons, Sharonda Clemons, Brandi Clemons, Angel Mitchell and Promise Mitchell; Grandmothers ~ Juanita Williams, Aldean Clemons. Two special groups of friends, “F2s” and “Good Fellows” and one very special person, Tenisha Green, who supported him until death. In addition there is a host of uncles, aunts, nephews, nieces, cousins and friends. Our hearts are very heavy as we say farewell to our beloved “Fee”

“ There are no words that describes the pain we all felt upon hearing of your tragic passing. Flynt, you are sorely missed. If only you knew the void you left behind, so impactful. I know for me, you were an awesome neighbor. Always there time and time again, through thick and thin. I will never forget you my friend. R.I.H
