“ I was blessed to have met my Uncle George last year and ever since then it felt like I've been around him my entire life. He never treated me as a stranger and whenever we would talk, text, or facebooked; it was always loving and compassionate. I did however find myself about to text him as usual to tell him that I love and miss him; bit instead I cried. So I thank God that I had a chance to feel real love from him. Just wish he was here to come to my wedding. On the other hand, I prayed that God would give him the serenity that he needed. He gave it to him, and now I pray that we all can get the serenity that he has; because he has no more pain and suffering.
