“ Thank you, Mr. Spann for being who you ARE to someone very important to me. Character was built and instilled in each of your children due to the many lessons that you taught them. A person's true character can be shown through the stories that loved ones share with their children, family, and extended non biological families. Thank you for that. God bless....

“ Wow! This was my God father. I lost contact when I left St. Louis. I'm so sorry to hear and read of his passing. My sympathy is with his wife and children. May God continue to bless the Spann Family. Shanti C. Richardson (Jones)
