“ *Even tho we had our ups and downs, I would always think and call you to make sure you was good. A lot of things have happened and I hate that the last time I saw you was with your granddaughter KaeOnna and grandson KaeShawn but I didn't even get pics of us for the 4th of July. I'll always remember the memories of you and what we had dad. I love and miss you dearly. You will always be talked about in my house to keep the memories alive.
