“ *Sister In Heaven
They say there is a reason, they say that time will heal; Neither time or reason will change the way I feel. Gone are the days we used to share, but in my heart you are always there. The Gate of memories will never close; I miss you more than anybody knows... Love and miss you everyday,
Tell we meet again.
Love Always & Forever,
Cha-Cha*

“ *Someone as special as a mother is never gone from this world. May you still see her smile in your mirror and hear her voice singing in your heart. She was a rare and beautiful soul, and I feel so blessed to have known her. We are more blessed, still, by the wonderful family she raised.*
