Margaret received her education in Lebanon, Illinois at Lebanon High School. She was very warm and kind to all individuals she met. In fact, many came to view her as a close friend and confidant, one whom they treasured and valued at all levels of human experiences. Margaret was preceded in death by a daughter, Georgiana, two brothers, Earl & Archie Toles, a sister, Louise. Margaret leaves to mourn her passing, but cherish her memories two sons, Walter & Willie Wiley, a daughter, Linda Ford; a brother Allen Reese; two Cousins; Shirley Rhodes & David Trimble; an Uncle, Hubert Trimble; and a host of grandchildren and great grandchildren.

Margaret demonstrated, through her walk with the Lord, a strong determination to meet and defeat life's challenges. A principle she passed on to all she met, particularly immediate members of the family. Momma took a simple and direct approach to life in a time where most things are over-done, over sized or simply used to alter your perceptions of the truth. Mom's simplistic view extended to her Christian Life as she would often use the phrase in a meaningful context that it's [Christianity] about "Just Jesus"..... John 3:16
