“ *" Rest in Peace My Brother " !! Our story is Over 50 years old ! We met in Milwaukee, Wisconsin. On our own for the first time, trying to go to school, and stay out of trouble ! Fun was easier to come by in those day, and we had plenty of it for sure. Loki, God of mischief is what comes to mind when I think of you. Talented, quick witted and a big heart. Life sometimes gets in the way of things we'd like to do. But time never got in the way of our Friendship. No matter how long between our times together, it was always like yesterday. This time has run it's course, but we'll have another time together. Maybe we can get into some, Good Trouble ! To the Family, My Deepest Sympathy on the loss of a One of a Kind, Mr. Ordie Page.*
