“ *I was so sorry to hear about Ralph's passing. I've known Ralph all of my life, we were ones of the small group from the Wentzville class of 1979 who were classmates all 12 years. Ralph always had a smile and time to talk! We got to catch up on old times when he was in rehab about 5 years ago with my husband; along with becoming a friend to my husband! Like I said, always liked to talk and never knew a stranger.*

Please know that the thoughts and prayers of so many will be with you during the difficult days ahead. God Bless all of you!
