“ *Mr. Robert Edwards was my very first band teacher at Visual and Performing Arts Center. He would give me a hard time because he knew my Mom jazz vocalist Jeanine Head. Great times, great memories.*

“ *Robert Edwards was my High School Band Director at Normandy Senior High School in St. Louis Mo. Band was my first class of the day. I would always show up late because I was out performing in night clubs in the wee-hours of the night. However as much as Mr. Edwards supported me, he would also get on my case regarding being on time for his class. Mr. Edwards was a great teacher that really had a heart for helping young people along with his beautiful wife Dorthy. You will be missed "Happy Tooth"! See you in heaven! In a very long long long time from now!*

*Best Regards,  
Guitarist Chris Burchett*
