“ I love you father in law. I’ve been around for going on tens years this year... and everyone last one of those years of meeting you, you have been kind, loving, always asking how we doing, and you always asking if I’m talking care of your son lol. you never failed to come give me a kiss on my cheek when you see me. I appreciate your love, your support, your acceptance of me being your daughter in law , you always willing to help when we need you, you being a great grandpa and an awesome dad! There’s so much to say but I’ll end this with We love you , your son misses you and I’m going to keep him uplifted with the help of God like you would want, and ima keep giving your youngest grand baby cookies in her bottles for you lol ❤️.
