

Stephan Allen Dollison

April 9, 1949 - February 9, 2021

Stephan A. Dollison was born April 9, 1949, to the late Dee Edward Dollison and the late Leatrice Johnson Collins. He attended St. Louis Public schools where he graduated and joined the United States Airforce on March 15, 1971 to March 31, 1995, which was an Honorable Discharge.

Stephan has a late wife whom is Helga Inge Rottman. Stephan was and still is very loved. He loved spending time with family and friends. He lived and missed his family so much he came back to the United States from Italy February 18, 2018, with the help of his pastor and best friend for over 35 years Jerry Seward and his congregation.

Stephan loved to watch "old school movies" listen to the radio when blues was playing and going to the VA clinic to see the beautiful women. He felt as if going to the VA was an outing for him because he got to sit with other veterans and pass time. His great grandson Kaiveon Wilborn would love to ride in his papa wheelchair with him. He loved going to the VA hospital and cafeteria together. All of his family members enjoyed being with him and going to the doctor visits with him myself, Jasmine, Allen even Kaiveon. Stephan and Richard McIntire (my other dad) became best friends during his time here Stephan referred to Richard as his buddy. Even some of their doctor appointments were on the same days.

Stephan leaves behind daughter (Stephanie McIntire), grand children (Jennifer Jones, Jasmine Jones, and Gregory Jones) his great grandchild Kaiveon Wilborn. A brother Ross Collins and his children Terrian Collins, Chelsea Collins, Ayanna Collins and his late sister Laurita. He also leaves behind his best friend Dan Macon he was the best man at Dan's wedding. Dan's was very helpful with helping Stephan with certain things that need to be taken care of while he was in the United States. He will be truly missed and always loved.
