“ Little brother in heaven smiling down. I miss that voice saying A big sis. I hear it over and over in my head. I wish I could've saved you some way some how. I know your spirit is around me and your niece. Life lived so fast and so short but you touched the heart and soul of me and everyone that still loves and think about you. I love you I love you I love you. Just writing this has me tearing up that's how much the hurt is still deep. Big sis will always keep you alive as long as I'm alive. I still have all your birthday cards and Xmas cards you sent me over the tough times. I'm so glad I was able to be the big sis by dad side you needed during everything in your life. 💎💎
