“ *This is the saddest news ever. Ms. Willie Mae meant the world to me. While working at life care center she became the sunshine of my day. I often made sure that her nails were always taken care of. It really breaks my heart that she is gone. My heart goes out to Felicia and Michelle.*

“ *I remember times seeing Mrs. Lowery at Michelle's store or at her home. She was always warm and kind to me. She made me feel like I was one of hers. Family, my prayers and condolences to all of you. Felicia, you know how I feel. We have talked and we will talk more. May God's blessings, strength, and comfort be with your entire family.*

“ My sincere condolences to the family. Ms. Willie Mae was a warm ,sweet ,gracious, thoughtful and beautiful lady. She was the type a person who you just want to give a big hug instead of a handshake when you met her. Rest In Peace (McLain Family in Ballwin,MO)

“ I worked with Willie Mae Lowery for many years in the 1970s and 1980s at Moog Automotive, Incorporated. She was a delightful person and I enjoyed working with her immensely. She worked tirelessly for our union, UAW Local 282, organizing social events for the members of the local. I will always have nothing but the best thoughts about her and I am happy that I had the opportunity to know her in this life. Thanks to her family for sharing her with us. I wish you all the peace you will need to endure the loss of this great woman.
