“Wow! I'm so devastated to hear that Mr. Willie C. Manuel Jr. has departed us. He was known to most that knew him professional as the great all wise Dr. SUNSTAR DIVINE. He was a true great friend to me as well as one of my spiritual teachers. He was a very kind and intelligent man, who had class and style. I will miss him terribly, but yet I recall he once taught me that I can always tele-communicate with him spiritually from anywhere in the milky way. So, Doc, where you are, I know that you are enjoying the great beyond to the fullest. See you when I arrive there. Much Love, dear brother. Brother Ray in St. Louis. Rest In Eternal Paradise.
